

NJIT is pleased to offer NJAIR members remote access to the upcoming NJAIR conference. We will have three WebEx meetings:

- 5/11 NJAIR Keynote that will offer the keynote and plenary sessions.
- 5/11 Using Power BI to Visualize Entering Student Data for the breakout session
- 5/11 Visual Analytics in Higher Ed with Tableau

(Note that the last two are concurrent sessions, but all sessions will be recorded and made available on the NJAIR website after the conference.)

Information for joining the WebEx sessions is provided below.
